1 2oz tubes of Ultramarine Blue

Colors may be substituted if necessary but please stay as close to pure primary colors as you can.

Painting brushes – _if you still have the brushes from the art kit those should be fine.

If those brushes are worn you may need to purchase additional brushes.

Palette: Palette Paper 9x12 is a good size (50 sheet pad). I recommend Grey Matters brand.

Thin Canvas Boards or similar surfaces for creating paintings on. Sizes can remain small to medium, for example 8x10, 9x12, 11x14. You may paint larger than these sizes if you wish.

Stretched Canvases are fine too but will take up more space.

Palette Knife, Diamond Shape, bent handle to keep hand out of your paint

2 Water Cups – _large yogurt cups work well. One for dirty water, one for clean.

Paper Towels

X-acto Knife (you likely have this already from your initial kit)

Additional colors may be desired and may be necessary beyond the midterm, but we will be working with the primary colors + black and white for the first 7 weeks. Students may need to purchase additional colors depending on how the painting process uses up the materials.
