DRA101 Drawing
Derek Gundy – Fall 2024
dgundy@ncad.edu

The following supplies are items for **Derek Gundy's Drawing Class** in Semester 1 (Fall 2024) It is strongly recommended to have these items ready before your first class. Some of the tools and supplies on this list may also be recommended for Michael Wilford's 2D Design class. Compare the two lists and make note where you may only need one item for the two classes (unless you wish to purchase more)

You may already have some appropriate supplies, so please take inventory of what you have and be prepared with the rest. We're drawing in pencil & pen (using line) on the very first day so make sure you are prepared.

I've provided a list of the supplies on BLICK's website. Use it as a guide for purchasing supplies. Visit the list at: [BLICK'S Supply List](#)

Strathmore 400 Series Recycled Sketch Pad, 9" x 12", 60lb, 100 Sheets
Strathmore 400 Series Toned Sketch Pad, 9" x 12", 80lb, 50 Sheets, Tan
Drawing Pencils – Recommended set: Faber Castell 9000
Kneaded Eraser

Fine line markers like Sakura Micron – set in list – or buy a few points that you are comfortable with.

Pitt Pen Brush Tip Value Markers (set of 8 recommended in Blick list)
Or other sets of 6 and 12 are also available from other companies – just a good range of value markers – other brands are okay too. SB (Soft Brush) or B (Brush)

Clear Plastic Ruler Plastic Ruler, 12"

I will go over supplies and recommend a few other things on our first day. Please come prepared with pencils, fine line pens, and the Strathmore 9x12 White Paper Sketchbook. These will all be essential for your first day.

**VID 201 - Visual Development
Supply List
Don Moore – Fall 2024**

Required Supplies: Please bring these items to the first class.

- You must have a sketch book and a Strathmore Toned Paper Sketch Book (choice of tan or gray) I prefer the tan as it has a warmer tone.
- 9x12 Sketch Book - I prefer Canson Mix Media Sketchbooks. They are blue and have a giant XL on the front cover.
- 9x12 Strathmore Toned Tan Sketch Pad (STR-412-9) or Toned Gray Sketch Pad (STR-412-109)
- Simple Clear Plastic Ruler, 12” Transparent is key. Product # CTH-36
- White Uniball Signo Pen SAN-64538 This will be used for fine white highlights. This pen is great for light over dry dark areas in your drawings. Any type of white gel pen would be fine.
- Faber-Castell Pitt Artist Pens: These come in a variety of tips, and the water-based inks are permanent and waterproof when dry. They also do not bleed into or through most papers.

Basic recommendations: A few of these selections will be good to start with.

- Black Pens – B (Brush) M (Medium) F (Fine) S (Small) XS (Extra Small). Just get a range of tips that will generate varying line weight.

or

- Sakura Micron Pens work well too and also come in similar tips.

For this first semester Illustration course – you will be required to have:

9x12 Sketchbook at all times – we often will take class time to develop our ideas visually in our sketchbooks. This course also includes several “quick draw” exercises in between major projects for shaking off creative cobwebs along the way. Always be ready to develop ideas on paper.

No textbook is required for this class – but many inspiration references will be provided.

For media – you may use traditional media – or digital media. At this point you should be gravitating to something you find success with. Sometimes a combination of traditional and digital media may be acceptable. Shoot for consistency and reliability with your choices in tools. Traditional media will absolutely require excellent photography or scanning.

This class affords you plenty of in class studio work time, and high demands for home studio work as well.

Regardless of your illustration tools, you should be able to always move forward on a project here in the classroom. Digital tools such as Photoshop are great – but so are other programs like Autodesk Sketchbook, Clip Studio Paint, or Procreate. If you’ll be working in watercolors or gouache, or any other traditional media, be sure to be prepared with all of what you’ll need.

All students will be required on occasion to produce a few prints of their work – even though we might be reviewing works on a screen, we are also producing things for print.
